

REWARDING AND ACKNOWLEDGING WITH PBIS REWARDS APP

How do I give out PBIS points?

Every staff member has a PBIS Rewards account. To access your account, all you have to do is follow the email link that has been sent to you to initiate your account. Once you have set up your account, you can give out PBIS points. Staff members can award points to individual students for positive behavior or groups including classes, athletic teams, clubs, etc.

How Do We Verbally Acknowledge Expected Behavior? For example:

- "You were being Responsible when you asked for help from the teacher during class instead of talking to your neighbor."
- "Thank you class for Being Respectful by raising your hands to speak and listening to what everyone else had to say about the story."
- "Thank you for throwing away your trash in the lunch area, it really shows you Being Respectful and Being Your Best."
- "I wanted to thank you for helping pick up the books someone knocked on the floor, you were being very Responsible and Respectful and it really helped me out. I am awarding you two PBIS points."

Ideally, students should be given points **immediately following** the behavior and be told exactly **why** they received the points. In order to promote expected behavior it is important that students know when and why they are being acknowledged.
